

## About FAVOR Candles

FAVOR Candles was created by sisters, Lisa Marie and Susan, who found themselves praying for FAVOR for each other, friends, family, careers, in sickness, in health and so much more. FAVOR Candles harness the restorative power of scent and sacred words. The Birmingham, Alabama-based artisan company pairs gorgeously scented candles with carefully selected scripture and inspirational quotes, designed to deliver comfort, encouragement and love each time the wick is lit. FAVOR Candles are available in stores and boutiques throughout the Southeast, online, and wholesale. ## Why FAVOR Candles?

- FAVOR Candles founders' Lisa Marie and Susan are sisters and business partners with a passion for connecting and uplifting others through life's joyous moments and hard seasons. Each hand-poured, 100% American-Made candle is inspired by their spiritual mission to deliver encouragement, inspiration, and light.
- These candles evoke more than just a sense of smell. Each scent is expertly paired with a quote or scripture to create a familiar association that will stimulate emotions every time it burns.
- A FAVOR Candle is a gift that gives back. Several candles include a donation to charitable initiatives that support the values FAVOR is built on: faith, wellness, relationships, and female empowerment.
- From birthdays to graduation, housewarming and marriage, FAVOR Candles are stunning, sentimental gifts designed to commemorate life's milestones, tribulations and celebrations by articulating emotions and providing solace through lasting scent.
